*He was like
Huckleberry
Finn.*

*And like
always, this
shit would
always
suddenly
come up
with
something
stupid.*

*All this
started
because some
one made Kaya,
a girl who
cried around
the clock, cry.*

*The story of
'the blue bird'
was like this:
whoever found
it, would find
eternal happi-
ness. And as
Huckleberry
Finn went to
look for it...*

Nothing else.

The absurdity
of it all was
contingent.

Of course
we never found
the blue bird...
and I don't
know why.

After we
passed some
large buildings,
we found our
elves in a
strange forest.

For us, who
believed in
strange things,
it was exciting.
We were fired
up for nothing.

In reality,
the strange
forest was
just next
door and...

after a
while, it
was turned
into a
public
park.

I entered
a private school.

And Tokyo...
he ran away
from home when
he was 15.

Years
later, Kaya
visited the
districts
again.

without
really
knowing
why.

It was the end
of the first
term for the
students of third
year.

A

COMIC 1995

There are
a lot of
things I
can't bear
anymore

Right
now, I'm
really
pissed.

My name
is Hirashi
Yamada
and I'm
14 years
old.

I'm not a coward
or anything
because even if
everyday life
becomes
overfilled with
depressing and
uninteresting
things, I would
never say I want
to die. Yes, I
don't want to die
because I want to
keep happy again!

These summer
holidays became an
escape.

*Takeshi
came
back!*

*It's
Takeshi!*

*He returned
with Kaya...*

*I was
14 years old,
and it
was the
beginning
of
summer
vacation*

It's our
right to
reclaim it!

We will get
that goddamn
contract
back!!

And you
will be the
leader
again,
Hiroshi!
It's been
decided!

Because
that's
what
people
call a
crime!

Why
not?!

"It's decided", my
dear! See Andou?
MOROM! I don't
even see how we
can pull this off!

Yeah, but
think of
Kage's poor
parents!

Of
course!

So that's
what you
want... by
force...
I see...

*If your past
attention
there were
only these
types of guys
who surrounded
me nowadays.*

*The smell of
the air reminded
me of that
summer night.*

Why...

He's coming!

It doesn't look like Hiroshi's coming...

He didn't go do his evening shift!

Yeah!
It's his job that's holding him back!

It's just that...

Hiroshi
!!

Yosh!

He's got some guys telling him to crap behind my back, Hiroshi!

!!

Looks like I got caught up in this stupid thing after all.

So, to the First Floor!

You guys got a P the officers are on the ground floor and all the files are to found on the first floor.

Yeah, you got a P so we gonna put this off, Takeuchi told us to definitely waiting for them!

After, we tend to avoid starting the gun working on the ground floor.

Well! First check the emergency alarm from the back...

There's always S-S old guys who work until late at night!

Idiot! If you don't want to get caught, you have to think about all the details!

Flower, you're a genius!

Hiroaki, what's that P?

I'm checking the circuit breaker to see if there's an alarm system that I can check... but, I don't know if I'll even be able to do it.

And said
that all we had
to do is find
you.

Since I
missed the
both of you
so much.

Takashi
came to me...

...and
said...

that?

I don't know,
but he obviously
had the
intention of
meeting you,
he...

He
probably
thought
that.

I wonder
why Takashi
went all the
way to your
place...

...
...
...

Just ahead
I've an
apparent
to be
his home?

Free, okay.
Takashi is the
adventurer?
At least that's
what he says!

Hehe...
well...

Everything has to
break up in the last
chapter of "The Blue Bird".
The heroes return home
after their long journey
and realize that their lives
before they left, was true
"happiness".

He has
that's
your
sister?

www.ah-ni-gi.com, Dark Zone

Something like this!!

!!

Takeshi!!!

What's going on?

What?!!

It was as if we were
reliving
that night

But in
that
moment

Wow! Wow!
A punch!
You knocked
him out in
one blow!

That's
really from
top of
the class,
Kazuo!

Ah, yes...
Yeah!

We wanted
the three of
us to laugh
together

Takeshi, the
big one guy.
Really got a
good idea!

I want
to go,
too!

Takeshi...
what're
you going to
do now?
Go back
home?

He... I'd
like to go
somewhere
hot... That's
why...

I'm thinking
of building
a secret
bunkhouse near
the sea!

Palmer, California 1999
